

# Protect Your Critical Assets with Mesa Labs Calibration Services

## *Trusted Expertise:*

Annual calibration of your **ViewPoint® Continuous Monitoring System** by Mesa's certified technicians helps ensure regulatory compliance<sup>1</sup> and maintain system accuracy and reliability.

## Why Choose Mesa Labs for Calibration?

ISO 17025  
Accredited Service<sup>2</sup>

Comprehensive  
System Care

Risk Mitigation<sup>1</sup>

# Built for today. Safeguarding tomorrow.

Mesa's ISO 17025-accredited<sup>2</sup> OEM calibration delivers unmatched precision with dedicated expert care that third-party providers can't replicate. Our factory-certified technicians don't just calibrate – they provide comprehensive system optimization, compliance consulting, and personalized support tailored to your critical monitoring needs. Through this concierge approach, we help you **Protect the Vulnerable™** while ensuring the highest standards of regulatory compliance<sup>1</sup>.

## Expert OEM Care vs. Third-Party Service: The White Glove Difference

	Mesa Labs Annual Calibration & Service	Non-OEM Calibration & Service
ISO 17025 accreditation <sup>2</sup>	✓	✗
OEM-trained expert technicians	✓	✗
Calibration certificates uploaded to ViewPoint® software	✓	✗
Battery replacement and preventative maintenance	✓	✗
Software updates and configuration optimization	✓	✗
On-site training and system audit	✓	✗
Alarm verification	✓	✗
Maintain warranty coverage	✓	✗
Prevent unauthorized modifications	✓	✗
Complete, accessible documentation for audits <sup>1</sup>	✓	✗
