**PROXY STATEMENT**

**ANNUAL MEETING OF SHAREHOLDERS  
To Be Held Thursday, October 3, 2013**

**Solicitation of Proxy**

The accompanying proxy is solicited on behalf of the Board of Directors of Mesa Laboratories, Inc. (“we”, “our”, the “Company”, or “Mesa”) for use at the Annual Meeting of Shareholders (“Annual Meeting”) of Mesa Laboratories, Inc. to be held on Thursday, October 3, 2013, and at any adjournment. In addition to the use of the mails, proxies may be solicited by personal interview or telephone by officers, directors and other employees of the Company, who will not receive additional compensation for such services. We may also request brokerage houses, nominees, custodians and fiduciaries to forward the soliciting material to the beneficial owners of stock held of record and will reimburse such persons for forwarding such material. We will bear the cost of this solicitation of proxies. Such costs are expected to be nominal. Proxy solicitation will commence with the mailing of this Proxy Statement on or about August 23, 2013.

Execution and return of the enclosed proxy will not affect a shareholder’s right to attend the meeting and to vote in person. Any shareholder executing a proxy retains the right to revoke it at any time prior to exercise at the meeting. A proxy may be revoked by delivery of written notice of revocation to the Secretary of the Company, by execution and delivery of a later proxy or by voting the shares in person at the meeting. A proxy, when executed and not revoked, will be voted in accordance with the instructions thereon. In the absence of specific instructions, proxies will be voted by the person named in the proxy “FOR” the items described in this Proxy and in accordance with his best judgment on all other matters that may properly come before the meeting.

The enclosed proxy provides a method for shareholders to withhold authority to vote for any one or more of the nominees for director while granting authority to vote for the remaining nominees. The names of all nominees are listed on the proxy. If you wish to grant authority to vote for all nominees, check the box marked “FOR”. If you wish to withhold authority to vote for all nominees, check the box marked “WITHHOLD”. If you wish your shares to be voted for some nominees and not for one or more of the others, check the box marked “FOR” and indicate the name(s) of the nominee(s) for whom you are withholding the authority to vote by writing the name(s) of such nominee(s) on the proxy in the space provided.

**Purpose of Meeting**

As stated in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement, the business to be conducted and the matters to be considered and acted upon at the meeting are as follows:

1. To elect seven directors to hold office for the term specified in the Proxy Statement or until their successors are elected and qualified;
2. To hold an advisory vote to approve executive compensation;
3. To hold an advisory vote on the frequency of future advisory votes on executive compensation;
4. To ratify the appointment of EKS&H LLLP as our independent registered public accounting firm for the year ending March 31, 2014 (the “Ratification of Auditors Proposal”); and
5. To transact such other business as may properly come before the meeting or any adjournment.

## VOTING SECURITIES

Our voting securities consist solely of common stock, no par value per share (“Common Stock”).

The record date for shareholders entitled to notice of and to vote at the meeting is the close of business on August 13, 2013, at which time we had 3,404,751 shares of Common Stock outstanding and entitled to vote at the meeting. Shareholders are entitled to one vote, in person or by proxy, for each share of Common Stock held in their name on the record date.

Shareholders representing a majority of the Common Stock outstanding and entitled to vote must be present or represented by proxy to constitute a quorum. The election of each director and the Ratification of Auditors Proposal each will require the affirmative vote of the holders of a majority of the Common Stock present or represented by proxy at the meeting and entitled to vote thereon. Cumulative voting for directors is not authorized and proxies cannot be voted for more than seven nominees. As advisory votes, the proposals to approve executive compensation and the frequency of future advisory votes are not binding upon the Company. The Compensation Committee, however, which is responsible for designing and administering our executive compensation program, values the opinions of our shareholders and will consider the outcome of the votes when making future compensation decisions.

## QUESTIONS AND ANSWERS ABOUT THIS PROXY STATEMENT

*The following responses to certain questions do not purport to be a complete statement of the information in this Proxy Statement and are qualified by the more complete information set forth hereinafter.*

*Who is asking for my vote?*

The Board of Directors of Mesa Laboratories, Inc. is sending this Proxy Statement, the attached Notice of Annual Meeting of Shareholders and the enclosed proxy card on or about August 23, 2013 to you and all of our other shareholders of record as of the close of business on August 13, 2013. The Board of Directors is soliciting your vote for the Annual Meeting.

*Who is eligible to vote?*

Shareholders of record who own shares of our Common Stock at the close of business on August 13, 2013 are eligible to vote. Each share of Common Stock is entitled to one vote.

*Why is the Annual Meeting being held?*

The Annual Meeting is being held to elect persons to serve as directors of Mesa until the next annual meeting, to obtain advisory votes to approve executive compensation and the frequency of future advisory votes, and to ratify the appointment of EKS&H LLLP as our independent registered public accounting firm for the year ending March 31, 2014.

*Might the Annual Meeting be adjourned?*

We do not intend to seek adjournment of the Annual Meeting unless we have insufficient votes to satisfy a quorum (which requires the presence of at least a majority of the outstanding shares). If that circumstance exists, we will consider the advisability of proposing adjournment to a specific time and place. If the meeting is adjourned, we will make a public announcement.

*Why did you send me this booklet?*

This booklet is a Proxy Statement. It provides you with information you should review before voting on the items listed above and in the Notice of Annual Meeting of Shareholders. You are receiving these proxy materials – a booklet that includes the Proxy Statement and one proxy card – because you have the right to vote on these important items concerning your investment in Mesa.

*How do I vote?*

Shareholders of record: All shareholders of record may vote by written proxy card. Joint owners must each sign the proxy card. If you are a shareholder of record and receive a notice regarding availability of proxy materials, you may request a written proxy card by following the instructions included in the notice. All shareholders of record may also vote by touchtone telephone using the toll-free telephone number on the notice or proxy card, or through the internet using the procedures and instructions described on the notice or proxy card.

Beneficial owners: If you own your shares through a broker-dealer or another nominee, you must vote your shares as instructed by that broker-dealer or other nominee. If you own your shares through a nominee, you are not considered to be a shareholder of record, and you will not be permitted to vote your shares in person at the Annual Meeting unless you have obtained a "Legal Proxy" for those shares from the entity who holds your shares of record.

If a shareholder wishes to participate in the Annual Meeting but does not wish to give a proxy, the shareholder may attend the Annual Meeting in person. Should you require additional information regarding the Annual Meeting, please contact Mesa at 303-987-8000.

*Why does my name not appear as a shareholder of record?*

Many, if not most, investors own their shares through a broker-dealer or other nominee. Broker-dealers frequently clear their transactions through other broker-dealers, and may hold the actual certificates for shares in the name of securities depositories, such as CEDE & Co. (operated by Depository Trust Company of New York City). In such a case, only the ultimate certificate holder appears on our records as a shareholder, even though that nominee may not have any economic interest in the shares that you actually own through your broker-dealer. You should contact your broker-dealer for more information about this process.

*When and where will the Annual Meeting be held?*

As described in the Notice, we will hold the Annual Meeting at our corporate offices at 12100 West Sixth Avenue, Lakewood, Colorado 80228 (telephone 303-987-8000), on Thursday, October 3, 2013 at 9:00 a.m. MDT.

*How does the Board of Directors recommend that I vote?*

The Board of Directors recommends that shareholders vote FOR all the nominees listed and FOR Proposals 2 and 4 and every 3 Years for Proposal 3.

*How can I obtain more information about Mesa?*

We have included an Annual Report to Shareholders with this Proxy Statement that contains additional information about Mesa. In addition, information is available on our website at [www.mesalabs.com](http://www.mesalabs.com) and through the EDGAR filings maintained by the Securities and Exchange Commission at [www.sec.gov](http://www.sec.gov). Neither the Annual Report to Shareholders nor our website is incorporated into this Proxy Statement and they are not to be considered a part of the soliciting material.

**ITEM 1.  
ELECTION OF DIRECTORS**

**THE BOARD OF DIRECTORS RECOMMENDS TO THE SHAREHOLDERS THAT THEY VOTE  
“FOR” THE ELECTION OF SUCH NOMINEES.**

At the Annual Meeting, seven directors are to be elected. Each director will be elected for a one-year term or until his successor is elected and qualified.

The person named as proxy in the enclosed proxy has been designated by management and intends to vote for the election to the Board of Directors of the persons named below, each of whom is now a director of the Company. If the contingency should occur that any such nominee is unable to serve as a director, it is intended that the shares represented by the proxies will be voted, in the absence of contrary indication, for any substitute nominee that the Nominating Committee may designate. Management knows of no reason why any nominee would be unable to serve. The information presented herein with respect to the nominees was obtained in part from the respective persons, and in part from the records of the Company.

Each non-employee director is compensated separately for service on the Board of Directors and is reimbursed for expenses to attend Board of Director meetings. Members of the Audit, Nominating and Compensation Committees are not compensated separately for service on those committees. The following summarizes director compensation for the year ended March 31, 2013.

- (1) 1,000 stock options were granted to each director on April 2, 2012. We calculated these amounts in accordance with the provisions of Accounting Standards Codification (“ASC”) Section 718 – *Compensation – Stock Compensation*, using the Black-Scholes option-pricing model.

Effective January 1, 2013, outside director compensation increased from \$4,500 per quarter to \$5,500 per quarter, or \$22,000 annually. No additional compensation is received for various committee assignments or for attendance at meetings.

### CORPORATE GOVERNANCE

Our business is managed through the oversight and direction of our Board of Directors. We have three standing committees: Audit, Compensation and Nominating. Our Board of Directors currently consists of seven persons. Under applicable NASDAQ and SEC requirements, (a) we are required to have a majority of independent directors, and (b) all of the members of each committee, with the exception of the Nominating Committee, must be independent. The Board of Directors has affirmatively determined that each of H. Stuart Campbell, Michael T. Brooks, David M. Kelly, Luke R. Schmieder and Evan C. Guillemin is an “independent director” as such term is defined in NASDAQ Listing Rule 5605. The Board of Directors has also affirmatively determined that each member of each committee of the Board of Directors satisfies the independence requirements applicable to committees as prescribed by the NASDAQ Listing Rules and the rules and regulations of the SEC. Mr. Sullivan and Mr. Dwyer are not “independent directors” because they either are our employees or have been employed by us in the past three years.

The Board of Directors has the responsibility for establishing broad corporate policies and for our overall performance, although it is not involved in day-to-day operating details. The Board of Directors meets regularly throughout the year, including the annual organizational meeting following each Annual Meeting, to review significant developments affecting the Company and to act upon matters requiring Board of Directors approval. It also holds special meetings as required from time to time when important matters arise, requiring Board of Directors action between scheduled meetings.

### **Committees of the Board of Directors**

The charter of each committee is available in print to any shareholder who requests it, or on our website at [www.mesalabs.com/corporate](http://www.mesalabs.com/corporate). Each of the following directors is a member of all of our committees (Audit, Compensation and Nominating):

Michael T. Brooks  
H. Stuart Campbell, Nominating Committee Chairman  
Evan C. Guillemin, Audit Committee Chairman  
David M. Kelly, Compensation Committee Chairman  
Luke R. Schmieder

In addition to the standing committees mentioned above, the Board of Directors may convene special committees to consider various other matters as they arise. During the year ended March 31, 2013, the Board of Directors did not convene any special committees.

### ***Audit Committee***

Pursuant to its charter, the Audit Committee assists the Board of Directors in overseeing (i) the financial statements and audits of the Company, (ii) our compliance with financial reporting requirements, and (iii) the independence and performance of our internal and external auditors. The Audit Committee charter further requires the Audit Committee to, among other things:

- Review the annual audited financial statements with management and the independent auditors and determine whether to recommend to the Board of Directors that they be included in our Annual Report on Form 10-K;
- Review proposed major changes to our auditing and accounting principles and practices;
- Review and evaluate our system of internal control;
- Review significant financial reporting issues raised by management or the independent auditors; and
- Establish procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls or auditing matters as well as the confidential and anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

The Audit Committee met six times during the year ended March 31, 2013. All members of the Audit Committee were present at each meeting (except for one meeting in which one committee member was not able to attend). The Board of Directors has determined that Mr. Evan Guillemin is an “audit committee financial expert” as defined in the applicable rules and regulations of the Exchange Act and is “independent.” The SEC has indicated that the designation of a person as an “audit committee financial expert” does not (i) mean that such person is an expert for any purpose, including without limitation for purposes of Section 11 of the Securities Act of 1933, as amended (ii) impose on such person any duties, obligations, or liability that are greater than the duties, obligations, and liability imposed on such person as a member of the Audit Committee and the Board of Directors in the absence of such designation, or (iii) affect the duties, obligations, or liability of any other member of the Audit Committee or the Board of Directors.

As required by NASDAQ, our Board of Directors has reviewed the qualifications of our Audit Committee members and has determined that none of them has a relationship with us that may interfere with the exercise of their independence from management and the Company.

### ***Compensation Committee***

Pursuant to its charter, the Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities for compensation of executive officers and administration of our compensation and benefit plans. The Compensation Committee met five times during the year ended March 31, 2013, and all members of the Compensation Committee were present at each meeting.

During the year ended March 31, 2013, no members of our Compensation Committee were executive officers serving on the Compensation Committee of another entity whose executive officers served on our Board of Directors. No member of the Compensation Committee was an officer or employee of the Company, or had a business relationship with or conducted any undisclosed transactions with the Company. Our Chief Executive Officer, upon request, may attend selected meetings of the Compensation Committee.

### ***Nominating Committee***

The Nominating Committee assists the Board of Directors in identifying qualified individuals to become members of the Board of Directors. The Nominating Committee met one time during the year ended March 31, 2013, and all members of the Nominating Committee were present.

In evaluating potential director candidates, the Nominating Committee considers the appropriate balance of experience, skills, and characteristics required of the Board of Directors, and seeks to ensure that at least a majority of the directors are independent under the applicable Listing Rules of NASDAQ. The Nominating Committee selects director nominees based on their personal and professional integrity, depth and breadth of experience, ability to make independent analytical inquiries, understanding of our business, willingness to devote adequate attention and time to duties of the Board of Directors, and such other criteria as are deemed relevant by the Nominating Committee. The Nominating Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a diverse mix of experience, knowledge, and skills.

In identifying potential director candidates, the Nominating Committee relies on recommendations made by current directors and officers. In addition, the Nominating Committee may engage a third party search firm to identify and recommend potential candidates. Finally, the Nominating Committee will consider candidates recommended by shareholders.

### **Risk Oversight**

The Board of Directors takes a key role in overseeing our risks. The Board of Directors receives frequent timely reports of our financial performance, changes in and composition of balance sheet accounts, quality assurance program effectiveness, product liability risks and status of relationships with all business constituencies including customers, employees, suppliers and government entities. The Audit Committee receives regular reports on our compliance with securities laws and communications with the SEC and shareholders. The Audit Committee has established an independent whistleblower hot line to encourage early and anonymous reporting of accounting irregularities or other violations of our codes of ethics. The Board of Directors routinely reviews our litigation threats, product/market strategies and operational activities.

### **Code of Ethics**

We adopted a Code of Business Conduct and Ethics (the “Code of Ethics”) that applies to all of our employees, executive officers and directors, including our principal executive officer and principal financial officer. The Code of Ethics contains written standards that are reasonably designed to deter wrongdoing and includes provisions regarding ethical conduct, conflicts of interest, proper disclosure in all public communications, compliance with all applicable governmental laws, rules and regulations, and the prompt reporting of violations of the Code of Ethics and accountability for adherence to the Code of Ethics. A copy of the Code of Ethics is available on our website at [www.mesalabs.com/corporate/](http://www.mesalabs.com/corporate/).

To our knowledge, based upon a review of the copies of such reports furnished to us and based upon written representations that no other reports were required, all Section 16(a) filing requirements applicable to our officers, directors and greater than five percent beneficial owners were complied with during the year ended March 31, 2013.

### **Compensation Committee**

The Compensation Committee supervises the executive compensation program for our NEOs. The Compensation Committee has designed a compensation program for NEOs to attract, retain and motivate talent in our competitive market environment while focusing the executive team and the Company on the creation of long-term value for our shareholders. The Compensation Committee has the authority to engage outside consultants or purchase compensation surveys, if needed, for evaluation of executive compensation levels.

### **Compensation Philosophy**

NEO positions during the year ended March 31, 2013 included: Chief Executive Officer, President, Chief Financial Officer, Chief Sales and Marketing Officer and Vice President of Operations. Other positions may be added as business conditions warrant.

We have designed our compensation programs for our NEOs to:

- attract and retain high performing and experienced executives;
- motivate and reward executives whose knowledge, skills and performance are critical to our success;
- align the interests of our executives and shareholders by motivating executives to increase shareholder value;
- foster a shared commitment among executives by coordinating their goals; and
- motivate our executives to manage our business to meet our short and long-term objectives, and reward them for meeting these objectives.

Our Compensation Committee administers four elements for NEOs: base salary (cash), short-term incentives (cash), long-term incentives (equity), and benefits. The total compensation package reflects our "Pay for Performance" philosophy, which is to couple employee rewards with the interests of our shareholders. We believe strongly that retention and motivation of successful employees is in the long-term interest of our shareholders. The Compensation Committee targets the total compensation level to be competitive with comparable companies in terms of size (as measured by revenue and market capitalization), our industry segments and geographic locations.

### **Benchmarking**

The Compensation Committee, with assistance from our executives if required, researches compensation levels by investigating comparable company records, purchasing third party compensation surveys or engaging compensation consultants. The acquired data is evaluated by the Compensation Committee and is one factor in establishing compensation plans for the NEOs.

To help establish competitive compensation levels for the year ended March 31, 2013, the Compensation Committee examined executive compensation survey data, both base salaries and total cash compensation, from Economic Research Institute ("ERI"). The survey data was tailored to include only those U.S. public companies in the "Instrument Manufacturing" segment with revenues between \$20 -- \$50 million per year. The ERI survey included 90 public companies in the data set used to establish compensation statistics. This included companies that produced both medical devices and general electronic instruments, along with consumable supplies. The data was further adjusted for the geographic location of each NEO. The data from this analysis were used by the Compensation Committee as one factor in determining compensation levels for base salary and total compensation.

### **Determination of Target Compensation**

For the year ended March 31, 2013, the Compensation Committee determined that an appropriate starting point for total compensation of our NEOs was approximately the 50<sup>th</sup> percentile level, compared to the data obtained from the

ERI survey. The Compensation Committee used not only the data from the ERI survey, but also considered individual and team executive performance, along with our financial performance, as criteria to establish target compensation levels for each NEO. From that analysis, and in consideration of our past and future expected financial performance, the Compensation Committee made adjustments to base salaries and target total compensation levels for each NEO that were implemented June 1, 2012.

### ***Base Salary***

Base salaries for NEOs are determined based upon job responsibilities, level of experience, individual performance and comparisons to the salaries of executives in similar positions from the ERI survey.

### ***Short-term Incentive Plan***

Each NEO participates in our Short-term Incentive Plan. The Compensation Committee believes that it is in the best interest of our shareholders to have a substantial component of total compensation “at-risk” and dependent upon our financial performance. For the purpose of the Short-term Incentive Plan, performance is measured by two variables: sales growth and profit growth. These variables are considered by the Compensation Committee to be a reliable indicator for the creation of long-term shareholder value. Bonus payouts under the Short-term Incentive Plan are tied directly to achievement of these sales and profit growth targets for the year. If both the sales and profit growth targets are exceeded by a substantial margin, the maximum bonus payments are set at between 45% and 85% of the base salary for the various NEOs. Of course, if our financial performance is poor, bonus payments could be at or near \$0. The Compensation Committee reserves the right to adjust payments under the Short-term Incentive Plan, in the case of unusual circumstances or events, or economic conditions in general.

We do not disclose the specific target sales and profit growth targets set forth in the Short-term Incentive Plan as we believe that the disclosure thereof would cause us competitive harm. Because we are not disclosing these target objectives, we are stating our assessment of how likely it will be for these targets to be achieved by our NEOs. Although achievement of our target objectives involves future performance and, therefore, is subject to uncertainties, the Compensation Committee believes it has established target objectives that are achievable with an appropriate amount of dedication and hard work and, therefore, it is more likely than not that each NEO will earn a bonus under the Short-term Incentive Plan.

### ***Long-term Incentive Plan***

The Compensation Committee believes that it is in the best interest of our shareholders to provide long-term incentive to each NEO with ownership of our stock. Stock ownership by our NEOs directly ties their long-term compensation to the performance of our share price. To achieve this goal, we make stock option grants to each NEO at the time of hire and on an annual basis under our stock compensation plan. These grants are either incentive stock options with a term of five years and/or non-qualified stock options with a term of 10 years. In either case, the grant price is set at 100% of the market price on the day of the grant and the options vest ratably over four years. There are no performance or market conditions associated with the vesting of these stock options. The number of stock options awarded is at the discretion of the Compensation Committee.

### ***Other benefits***

Our philosophy is to provide only those other benefits to our named executives that are consistent with those generally offered to all of our other employees. As such, the NEOs have available various health, welfare and retirement (401(k)) benefits.

*Employment and Change-in-Control Agreements.* We have provided certain of our NEOs with salary continuation agreements. Severance payments will be made 1) in the event of an involuntary separation of service without cause or a voluntary separation of service with good reason or 2) immediately prior to, or within 24 months after, a change in control for an involuntary termination without cause or a voluntary termination for good reason. Severance payments will be paid monthly for 12 months or 24 months, respectively, to include the individual’s then current monthly salary, and the same percentage of Company-paid health and life insurance benefits. Additionally, all outstanding unvested stock options, and any other equity-based awards that may be granted in the future, will vest immediately with the exercise period extended to the full term of the option (in case 1 above, the acceleration is subject to discretion of the Board of Directors).

*Nonqualified Deferred Compensation.* We have no nonqualified defined contribution or deferred compensation plans.

*Post-Employment Compensation.* We have no defined benefit plans, supplemental executive retirement plans or actuarial plans.

## EXECUTIVE COMPENSATION

### Named Executive Officers

The Securities and Exchange Commission (“SEC”), in Item 402 of Regulation S-K defines NEOs to include: a) all individuals serving as the registrant’s principal executive officer (“PEO”); b) all individuals serving as the registrant’s principal financial officer (“PFO”); c) the registrant’s three most highly compensated executive officers other than the PEO and PFO; and d) up to two individuals for whom disclosure would have been provided but for the fact the individual was not serving as an executive officer at the end of the last completed fiscal year. Bryan T. Leo is not an executive officer of the Company, but is included in the disclosures below as an NEO in accordance with SEC regulations. Steven W. Peterson served as PFO until leaving the Company effective November 30, 2012.

- (1) This column represents compensation to NEOs under our Short-term Incentive Plan. These amounts are included for the year earned, not when paid.
- (2) This column reflects the stock-based compensation expense recognized during the year for each NEO for financial statement reporting purposes with respect to the years ended March 31, 2013, 2012, and 2011. We calculated these amounts in accordance with the provisions of ASC Section 718 – Compensation – Stock Compensation, using the Black-Scholes option-pricing model. Effective November 30, 2012, as part of the negotiated separation agreement with Steven W. Peterson, 14,400 unvested options were modified to a) extend the expiration date to 10 years following the original grant date, b) allow them to be exercised through their expiration date, and c) accelerate the vesting such that all options will vest by November 30, 2014. This was a modification of the terms of an equity award and, accordingly, we treated this as an exchange of the original award for a new award. We recorded incremental compensation expense of approximately \$240,000 for the year ended March 31, 2013.
- (3) This column represents 401(k) matching funds. For Steven W. Peterson, it also includes a separation payment equivalent to one year of salary, recognized fully in our statement of operations for the year ended March 31, 2013, but to be paid out over 12 months.

**ITEM 2**  
**ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act, which was enacted in July 2010, and Section 14A of the Exchange Act require that we allow our shareholders the opportunity to vote to approve the compensation of our named executive officers as set forth in this Proxy Statement. The vote on this resolution is not intended to address any specific element of executive compensation. Instead, the vote relates to the executive compensation of our named executive officers, as set forth in this Proxy Statement pursuant to the rules of the Securities and Exchange Commission. This vote is advisory and not binding on our Company or our Board of Directors, but in the event of any significant vote against this proposal, the Compensation Committee will consider whether any actions are appropriate to respond to shareholder concerns.

The affirmative vote of a majority of the votes cast at the Annual Meeting for this proposal is required to approve this proposal.

We are asking shareholders to approve, on an advisory basis, the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis section and the Executive Compensation section.

We have designed our compensation programs to:

- attract and retain high performing and experienced executives;
- motivate and reward executives whose knowledge, skills and performance are critical to our success;
- align the interests of our executives and shareholders by motivating executives to increase shareholder value;
- foster a shared commitment among executives by coordinating their goals; and
- motivate our executives to manage our business to meet our short and long-term objectives, and reward them for meeting these objectives.

We urge shareholders to read the Compensation Discussion and Analysis section, which describes in more detail how our executive compensation policies and procedures are designed to achieve our compensation objectives, as well as the Executive Compensation section and related compensation tables and narrative, which provide detailed information on the compensation of our named executive officers. The Compensation Committee and the Board of Directors believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in achieving our goals and that the compensation of our named executive officers reported in this Proxy Statement has supported and contributed to our success.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR”  
APPROVAL, ON AN ADVISORY BASIS, OF OUR EXECUTIVE COMPENSATION  
AS DESCRIBED IN THIS PROXY STATEMENT.**

**ITEM 3**  
**ADVISORY VOTE ON THE FREQUENCY OF**  
**FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act and the Exchange Act also require that we allow our shareholders the opportunity to vote on their preference as to how frequently we should seek future shareholder advisory votes on the compensation of our named executive officers. This vote also is advisory, which means that it is not binding on our Company or our Board of Directors. When voting on this proposal, shareholders may indicate whether they would prefer that we conduct future shareholder advisory votes on executive compensation once every one, two or three years.

The Board of Directors has determined that a three-year shareholder advisory vote on executive compensation is the most appropriate alternative for the Company and will allow our shareholders to provide meaningful input on the Company's executive compensation practices. Therefore, the Board recommends that you vote for a three-year interval for the shareholder advisory vote on executive compensation.

This vote is advisory and not binding on our Company or our Board of Directors, but in the event that a frequency other than three years receives the highest number of votes cast, the Board of Directors will consider whether any actions are appropriate to respond to shareholder concerns.

Accordingly, our Board of Directors asks our shareholders to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the shareholders determine, on an advisory basis, whether the preferred frequency of a shareholder advisory vote on the executive compensation of the Company's named executive officers should be every one year, two years or three years.”

The proxy card provides shareholders with the opportunity to choose among four voting options: holding the advisory vote every one, two or three years or abstaining from voting. Therefore, shareholders will not be voting directly to approve or disapprove the Board of Directors' recommendation.

Although the vote is not binding, the Board of Directors will consider the voting results in determining the frequency of future advisory votes. Notwithstanding the Board of Director's recommendation and the outcome of the shareholder vote, the Board of Directors may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with shareholders and the adoption of material changes to compensation programs.

The Board of Directors recommends that future advisory votes on executive compensation occur every three years. Because our executive compensation programs are designed to reward long-term performance and operate over a period of years, shareholders should evaluate how our programs perform over the long term. Also, an advisory vote every three years provides an appropriate period for the Compensation Committee and the Board of Directors to evaluate the results of the most recent advisory vote on executive compensation and to develop and implement any appropriate adjustments to our executive compensation programs. Conducting an advisory vote every three years would provide shareholders a meaningful opportunity to provide regular feedback and sufficient time for us to respond to it.

A representative of EKS&H LLLP will be present at the Annual Meeting, will have an opportunity to make a statement if he so desires, and will be available to respond to appropriate questions.
