

LABELING CHANGE NOTIFICATION

01 March 2019

Notification ID: CN-190301

Notification Type: Labeling Change

Dear Customer,

We would like to take this opportunity to notify you of a labeling change that has been made to Ozone Strip catalog numbers. This change notification applies to the following Mesa catalog numbers:

- **AOZ/3T** Ozone spore strip Log 3 for Radiation *B. atrophaeus* 7953- Tyvek/Tyvek
- **AOZ/6T** Ozone spore strip Log 6 for Radiation *B. atrophaeus* 7953- Tyvek/Tyvek

The unit label will no longer have the words "Custom BI". The change will be effective immediately with the new manufactured lots. The change has been made to standardize AOZ products. Other than this change to formatting of the unit labels, the secondary packaging labels remain the same.

As always, if you have any questions, please contact your Mesa Laboratories Representative.
