

PRODUCT CHANGE NOTIFICATION

29 April 2019

Notification ID: CN-190404

Notification Type: Component Labeling Change

Dear Customer,

We would like to take this opportunity to notify you of a change to the lot numbering scheme for Population Assay Kit – Glassware (PAK-G).

There is no product impact to the Population Assay Kit- Glassware due to this lot number change. This change in Population Assay Kit- Glassware (PAK-G) is being made to align with how we currently assign lot numbers for all other products manufactured.

Effective immediately, all new lots manufactured will have the prefix, PAKGL-XXX, where XXX will be a sequential number.

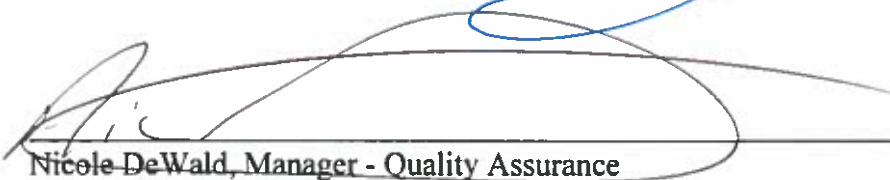

As always, if you have any questions, please contact your Mesa Laboratories Representative.

Robert Bradley, Senior Director - Operations
