

## PRODUCT CHANGE NOTIFICATION

May 02, 2019

**Notification ID:** CN-190501

**Notification Type:** Product Packaging Change

Dear Customer,

We would like to take this opportunity to notify you of a change that will be made to the packaging of 10-ct ProSpore. This change notification impacts the following catalog numbers:

- PS-5-10
- PS-4-10

The updated configuration for the box will include an additional row inserted to improve the stability of the units packaged inside the box. There is no change in the manufacturing of these products. An example of the new box configuration is shown below.

This change is expected to become effective December 2019 but is dependent on the volume of sales.

As always, if you have any questions, please contact your Mesa Laboratories Representative.
